1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I feel that any increase is unjustified as we are senior citizens and no utility company should be allowed to raise their rates above the rate of inflation! We are in a recession! The service in old Tega Cay has not been improved enough to warrant such an outrageous increase in our water and sewerage bills. It appears that the company has failed to invest in the infrastructure over the years and now expects us to pay for their failings!

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

Not unless you can hold the meetings in Tega Cay instead of expecting us to travel to Columbia !!!!!
